*Abundant God,
You blessed the food that Christ offered to the crowds
when they had nothing to eat on the hillsides.
In the breaking of these few loaves,
a little food became enough nourishment for many.
Mould us into your bread, O God,
That, through the way we live our lives,
We, too, might bring nourishment and healing to all your
people.
We ask our prayer in the name of Jesus Christ,
the Bread of Life,
Who lives and reigns with you in the unity of the Holy Spirit,
God for ever and ever.
Amen.*

Dear Parents/Caregivers and Friends

Congratulations to our Year 4 students who received the Sacrament of Eucharist for the first time last Sunday. They all looked amazing in their special dress and contributed and participated reverently to various parts of the Mass.

The students have been preparing in some way since they began at St Munchin's but the focus has increased this year. Thanks must go to past teachers and especially Ms Skeffington and Ms Alexander and Mrs Ingram for preparing the students so well. We acknowledge the support and assistance of parents, caregivers and family, Fr Philip and the Parish. The Parish choir lead us beautifully in the singing and it was pleasing to share the responsibility in bringing the whole celebration together.

A wonderful community effort!

Athletics Carnival

The faction jumps had to be postponed to next week due to the inclement weather and the track and field events will take place on Friday 2nd September commencing soon after 9am. This year the pre-primary students will join us on the day. This is always a wonderful community event and I am sure many of you will join us to encourage and support all our students.

Father's Day Breakfast

Commencing at 7.30am on Friday 2nd September the school will be serving breakfast to our dads and granddads. The breakfast will be served in the pit area outside the Year 5 and 6 classrooms. We do hope you can join us for the breakfast. ***There is no charge for the breakfast!***

Please let the office know if and how many will be attending for catering purposes.

Professor Maths

Today and next Wednesday 7th September, classes from Pre-Primary will experience 1 hour of engaging and exciting mathematics activities. Professor Maths will guide the students through a number of learning strategies. Ask the students to share with you the activities they participated in and what they learnt in the lesson.

Side Entrance Near New Administration

On Thursday and Friday of this week there will be no access into the school from the side near the new administration, as the builders are working on this section. Therefore, parents and students are asked to use Isdell Place Staff Car Park entrance. Just for the two days, entrance can be gained through Miss Skeffington's Year 4 Class **only before and after the school not during school hours.**

This Week's Article from The Relationship Quotient talks about creating successful relationships through forgiveness.

Kind regards

Rob Romeo, *Principal*

We invite our grandparents to a special Mass at 9am in the Church on Friday 16th September followed by a light morning tea in the Parish Hall. We appreciate the work and contribution of many grandparents who, as extended family members, have great input in the everyday lives of our children and families and who contribute greatly to our school community. If you are able to join us on the 16th September, we would love to see you at Mass.
