Childs Class : _____ Number of tickets: _____

Calling all businesses in the school

Here is your chance for some free advertising. The P&F are having a quiz night on the 23rd of June. I would love to help your business with free advertising on the evening. Everyone knows that the best way to advertise is by word of mouth.

We can place business cards and flyers on the competing tables.

If you are able to also give a small donation or prize for our raffle we would greatly appreciate it. Any donations or prizes can be dropped off to the school office for collection.

Take this opportunity to get your name out and about with the school community.

In advance THANKYOU for your help and support.

P & F President Gaylia Evans
